

End of the World

Perhaps not the most pleasant topic in some ways but still very relevant. We all know in our hearts the world is in danger. I Googled the subject and got > 110,000,000 results. Many movies have been made and books written on the subject. I think most everyone I know is interested in knowing if/how the world will end. Including me. The Bible talks about, in great detail, what the end of the world, and heaven, looks like.

Before

1. Wars. Earthquakes. Pestilence. Famines. False religions
2. Rebuilding of the temple. Jerusalem in turmoil
3. Signs in the sun, moon and stars. The ocean in turmoil
4. A One World leader will arise and form a new world order
5. People will increase in selfish, indulgent, narcissistic behaviors
6. A one-world religion will be formed by the Antichrist

During

7. Satan. Mark of the Beast (666). Antichrist arises
8. 1/3 of earth destroyed- people, trees, grass, life in the sea
9. Armageddon. Final world war fought in Israel
10. Earth hit by large meteor
11. Christians are martyred
12. Christ returns
